2017 – 2018 College Profile

The Donoho School, founded in 1963, is an independent, non-sectarian, co-educational, college-preparatory day school for capable, highly-motivated students. The school emphasizes a commitment to excellence and honor in all areas of learning and challenges students to maximize their potential while developing responsibility and character.

The school is committed to the development of the total child by providing a challenging curriculum in an atmosphere conducive to good citizenship and personal integrity. Students are expected to develop a proficiency in English, mathematics, history, science, foreign language, and technology, as well as an appreciation for the fine arts. The school admits academically qualified students without regard to race, creed, color, sex, or national and ethnic origin.
