Calhoun County Commissioner
DANNY SHEARS

**Supports the
DONOHO FALCONS**

BENTON NISSAN and Calhoun County Commissioner Danny Shears are this year's Official Sponsors of *FALCON FRIDAY NIGHTS*! We are thankful for their continued support of our Falcon student-athletes. We encourage our Falcon Family to support our sponsors to thank them for their commitment to Donoho Athletics.

The Donoho School

Welcome to The Donoho School!

We are excited about another year of Falcon Athletics. As you will read in the letter from our Director of Athletics, last year was truly amazing with two more maps, and a couple individual state championships, added to our collection. This year we are looking forward to continuing that tradition of excellence. Our athletic program provides students with the opportunity to develop leadership qualities and self-confidence. It is a major component of our proud tradition of excellence and honor. The success of our student-athletes, both academically and athletically, is an important part of our mission.

I invite you to learn more about why The Donoho School is the premiere college preparatory school in East Alabama. Here are some of the great aspects of The Donoho School:

- Well-rounded college preparatory curriculum in grades PK-12
- Accredited by SAIS
- 76% of faculty hold advanced degrees
- 94 National Merit Scholars in the school's 53-year history
- 22 AHSAA recognized sports teams, boasting 25 state championships
- Award winning visual and performing arts offerings

Donoho graduates are prepared and ready to meet the challenges that lie ahead. We have a long history of our graduates being admitted to the most competitive colleges and universities and, over the last 5 years, over 90% have received a merit scholarship to the school of their choice. Excellence in all areas - academics, athletics and the arts - and opportunities to excel both in the classroom and in the greater community make Donoho the preeminent school in Eastern Alabama and one of the top independent schools in the state. We are so proud of our students in all they do and invite you to share in our appreciation of their accomplishments.

I invite you to visit The Donoho School if you are looking for an independent education as an option for your children. Why start the Donoho journey today? Because the most important moment in your child's education is now!

Go Falcons,

Mr. David Noone
Head of School

The Donoho School

Dear Donoho Community,

I would like to welcome you to another year of Falcon athletics. The Donoho School's athletic program seeks to prepare students to become productive citizens of our community and society by teaching and developing commitment, character, and a competitive spirit among student-athletes who learn to honor the game. Our coaches are committed to promoting skills development, team play, and sportsmanship at all levels.

The Donoho School is a member of the Alabama High School Athletic Association (AHSAA) and is classified as a 1A/2A all the way to 3A - 4A school. The school offers opportunities for our student-athletes to compete in the following sports: cRioss country, football, volleyball, basketball, baseball, golf, tennis, track, indoor track, soccer, and cheerleading.

This past year was very rewarding for many of our teams. The success of a couple of them, Volleyball, Baseball, Tennis, have been moved to a higher classification due to competitive balance.

Just a few highlights,

- 41 State Champions
- 1 Runner Up State Champion
- 2 Elite 8 Finishes
- 3 Individual State Champions
- 4 County Coaches of the Year
- 2 Athletes signed to compete in Collegiate Athletics

We will continue to do everything we can as an Athletic Program to support the growth of our student athletes. We will strive to dominate in the classroom, on the fields, and on the courts.

The support from the Falcon Pride program has become a staple for the Athletic Program. Support in many ways including financial support, work days, cook outs, a robust Media Guide, pictures, banners, signage. . . the list goes on and on. Our Athletic Program relies on the volunteers from Falcon Pride. Thank you so much for all of your help.

Let's GO!

Steve Gendron
Athletic Director

Affordable
Health
Care

Direct Primary Care (DPC) is a monthly simple, flat, affordable membership fee-based alternative to insurance-based fee for service family medicine.

The defining element of DPC is an enduring and trusting relationship between a patient and his or her primary care provider.

FLAT MONTHLY FEE - NO COPAY
Markedly reduced lab, imaging, and medication costs

Many times the reduce fees with lab testing, EKG's, and common shots more than save the cost of the membership fee

Membership fee includes:

- Chronic disease management
- Preventative care services
- Unlimited sick visits
- Same or next day appointments
- Short wait times
- Greater access to your physician
- Communication via phone, text, or email

Memberships

- \$60/mo for individuals
- \$100/mo for couples
- \$30/mo for children / persons under the age of 18

Serving Greater Calhoun County for 101 Years

2023

The Donoho DIFFERENCE

the difference is...

Community service is a benchmark of the Donoho student experience, and our student-athletes continue to lead the way in giving back to our community through serving others.

“One Falcon” recognizes the charitable activities of our student-athletes and works to identify and promote opportunities for our students and teams to serve throughout the communities they live in.

From charitable drives to neighborhood clean-up efforts, from eagle scout projects to league of our own buddies, our students continue to set the standard for service that exemplifies The Donoho DIFFERENCE to communities throughout Calhoun County and East Central Alabama.

FIRST ON THE FIELD.

First isn't just in our name. We really were the first bank to open our doors, help grow the local economy and invest in our communities. We're proud to have been this area's hometown team for nearly two centuries. We have — and always will be — FIRST on the field to support our neighbors and customers.
