**EPA'S AHERA NOTIFICATION REQUIREMENTS**

This notification is pursuant to the requirements of Environmental Protection Agency's (EPA's) Asbestos Hazard Emergency Response Act (AHERA) of 1986, as defined in the EPA Protection Agency Regulations (40 CFR Part 463). This notification informs all parents and employees of The Donoho School that the school system is in compliance with this act. The school system has conducted the required three year re-inspections, six month periodic surveillance, training of employees and have an asbestos management plan in place.

The asbestos management plan is on file at the Main Office. The plan is available for review during normal business hours. If you have questions, please contact Mr. David J. Noone, Head of School or Mr. Jeff Tolbert, LEA Designated Coordinator, at (256) 237-5477.

This notification will also be updated to reflect any asbestos-related action taken or planned by the school district as needed.

All asbestos related work is conducted by State of Alabama (Safe State) Certified Asbestos Inspectors, Asbestos Management Planners, Asbestos Abatement Firms, Asbestos Abatement Supervisors and Asbestos Abatement Workers.
